our philanthropy

Did you know that Arthritis refers to more than 100 diseases and conditions affecting the joints? It is the most prevalent chronic disease in the US with 23% of all adults living with it and medical costs of \$81 billion dollars annually.

Since Alpha Omicron Pi was established at Iowa State in 1987, together with the Ames Area Running Club, we have raised over \$260,000 for AOII's international philanthropy, Arthritis. The AOII Foundation, serving as AOII's philanthropic arm, oversees the process by which grants are made to our philanthropic partners: the Arthritis Foundation and its sister organization, CARRA. The AOII Foundation funds programs and research that seek to improve the lives of all those affected by this devastating disease. In the past two years, more than \$1 million dollars have been granted by the AOII Foundation to the Arthritis Foundation and its partner organizations, thanks to events like Run for the Roses.

Through the past 31 years of working with the Ames Area Running Club, our passion for raising awareness has continued to grow with the help of our sponsors and race participants. We thank you for your participation in helping us make a difference in the lives of those with Arthritis!

soles4souls

Help us make a difference by donating
 your old running shoes!

Soles4Souls was founded in 2006, and since then, has distributed 26 million pairs of shoes in 127 countries worldwide. Without adequate shoes, people can get diseases such as hookworm, threadworm, and more. These diseases can prevent children from getting an education which continues the cycle of poverty. Not only do shoes improve health and education, but they also improve employment and confidence, which contributes to economic development. Help us help them by bringing your old running shoes and placing them in collection boxes on race day!

Awards & Gifts

- Custom designed medals are awarded to the top 3 male and female finishers in five year age divisions from age 13 and under through age 90+ in the 5k and 10k runs

- A custom designed medal and one dozen red roses are awarded to the overall male and female finishers in the 5k and 10k runs

Race Registration comes with:

- long sleeve t-shirt
- red rose
- omelet breakfast
- door prizes
- silent auction

Kids Race Registration comes with

- t-shirt
- omelet breakfast
